

Considering a donation? Now's a good time.

Dear smartname,

Our Festive Food Days program wound down about a week ago and we are all enjoying a little much-needed rest. I am taking some time to write you a **quick note about a time-sensitive matter**.

If you have shown your support already, we thank you wholeheartedly. If you are considering it and have yet make it happen, now is a good time. **If you donate in the next 2 days, before January 1, we'll send you a charitable tax receipt for 2021.** You'll also help us thrive in spite of higher participant numbers and higher food costs.

[Click Here](#)

Our next mailing to you will be more newsy (because we have lots to share). **[Check our site for updates](#)** and info regarding our four programs. And, if you want a little tax break while supporting our organization, **[hit the donate button above](#)**.

Happy almost-New Year and stay warm. I'm sure we are all together in our hopes for 2022 being a good year.

Andrew Creighton (on behalf of the Nelson CFC team)

PS: If you haven't already, consider joining our monthly donor program and support us all year long. It's just a click away.

We have moved over to a new emailing system so my fingers are crossed that this all goes well here. If you'd like to continue getting our email newsletter every 4-6 weeks, great! No action required. If you'd rather not, we're sorry to see you go. Please click the unsubscribe link below.
